Tuesday - 21 November 1967

25X1 1. [] Jay Sourwine, Chief Counsel, Senate
Special Subcommittee on Internal Security, called to inform me that []

25X1 2. [] Met with Mr. Robert E. Dunne, Assistant
Counsel, Senate Permanent Investigations Subcommittee, concerning his
earlier call relating to Agency assistance in examination of identification
cards to be manufactured under an AID contract for use in Vietnam. Mr. Dunne
advised that there will be a few days or a week's delay in the matter pending
preparation of sample cards by the contractor. The Chairman has reviewed
the matter and would appreciate informal assistance in examination of the
cards when they are ready. Mr. Dunne will keep me advised of developments
in the matter. See Memorandum for the Record, 21 November 1967.

25X1 3. [] Met with Mr. Philip Kelleher, Counsel,
House Armed Services Committee, as a follow-up to his request for advice
concerning correspondence received by Mr. Rivers from one []

25X1 [] I advised Mr. Kelleher that so far we had not

Kelleher noted that this tentatively is a confirmed initial impression that the

checks are warranted from our point of view in the matter.

25X1 4. [] Met with Mr. David Minton, General Counsel,
Senate Post Office and Civil Service Committee, concerning the postal rate
and Federal employee salary legislation. In essence, the discussion
indicated that the postal and salary bill is a good one and has received rather
firm concurrence from the Bureau of the Budget.
